New Web Page for Visiting YRM

As the ministry grows we hear from those around the country with a desire to visit at Holts Summit. It has been great to meet with the many brethren who have already made the trip and we look forward to meeting many more. We are located outside of the Holts Summit city limits in a beautiful, wooded rural setting. The building complex sits on 3 1/2 acres just off a blacktop county road. Currently we have two buildings on the property. The main "lodge style" structure is 4500 sq. feet and we are adding a new 3500 sq. foot structure under construction that will house the offices and day-to-day operations. With the local growth we have experienced in the last few years the hall and parking lot fill up each Sabbath. You can find more information on visiting times, our Sabbath schedule and lodging [right here](#).

Last Chance to Reserve Your FOT Cabin

Because of Shakamak State Park's cancellation policy, YRM will be dropping all reserved cabins on 8/06/2010. If you would like to reserve a cabin, please ensure that we receive your registration form with payment prior to this date. For those who miss the deadline, the only two remaining options will be tenting and motels (approximately 15 minutes from Shakamak). For additional information, maps, facility pictures and a downloadable registration form, please visit <http://yrm.org/registerforfot.htm>

Why Follow a Man with a Pitcher?

In Mark 14:13, Yahshua instructs selected disciples to go prepare the Passover. They are to locate the chosen place by following a man who is bearing a pitcher of water. Why did Yahshua employ such a means of getting His disciples to the right location?

- A. He had it arranged in advance with the man carrying the water.
- B. A sign such as this would draw attention to the importance of the memorial.
- C. Yahshua enjoyed exercising His prophetic powers.
- D. There was danger everywhere.

A few days prior, Judas became angry when an expensive ointment was used to anoint Yahshua (John 12:4-7; Mark 14:8-10). Being offended, he colluded with the Pharisees to have Yahshua arrested. If the Master had made the place of the supper known openly, Judas would have simply directed the Pharisees to go directly there and make the arrest before Passover. The secret meeting place allowed Yahshua time to take the Passover, and then spend some final, quality time with his disciples. Afterwards came the arrest, the trial and the fulfillment of the Messianic office in this age. Answer: (D)
