### **Seifert-Cordaro Wedding August 8**

Several of us at Holts Summit just returned from North Carolina where Bro. Nathan Seifert was married to Rosiyah Cordaro in a ceremony conducted by Elder Alan Mansager. Nathan is the son of Jack and Leslie Seifert and Rosiyah is the daughter of John and Nancy Cordaro. We pray for the blessings of Yahweh on the happy couple as they begin a new life together in Him. Everyone pictured are believers in Yahweh and Yahshua!

### **Restoration Times in the Mail**

YRM's new bi-monthly magazine, Restoration Times, was postal mailed Aug. 5. It is a transformation of the newsletter, YRM News, into magazine format more suitable for evangelizing. We plan to include a variety of knowledgeable writers and topics in future issues. If you would like to receive it, just go to <http://www.restorationtimes.org> and fill out the request form.

### **Ladies' Website Soon**

As noted in the Times, a new YRM Website exclusively for women is nearly complete and will make its debut on the Web soon. It will deal with topics of special interest to ladies and we think will be a valuable tool in reaching many for the Truth.

### **Newly Designed YRM Homepage**

We have revamped and enhanced the design of the current homepage. A cleaner look and feel is evident, along with many more photos in the top header loop and consolidated links. The new page is a great representation of this growing ministry. For your convenience we have included a player on the homepage that allows you to watch what's playing on the YRM Channel 24/7! A big thanks to programmer Brother Randy Dimmett and graphics designer Brother Ryan Mansager who put many hours into this effort. The new design has given us much-needed room for more features we will add in the months ahead. Visit the new page: [www.yrm.org](http://www.yrm.org)

### **Fall Feasts Countdown**

The feasts of the seventh scriptural month are only some several weeks away. Our prayer is that you and your family are making plans to join us for them and for the Feast of Tabernacles at Shakamak State Park in southwest Indiana (9/23 to 10/2). Yahweh's Feasts are not camp meetings and neither are they optional. His people are commanded to be there convocating with others of like faith, Leviticus 23, just as they are the weekly Sabbath. The world couldn't ever conceive of missing its Halloween and Xmas observances, why would Yahweh's own people even think of not coming before Him at His own specially commanded times? And why would they want to miss the special blessings that go with observance as well? Go to <http://www.yrm.org/registerforfot.htm> for information and a reservation form. Don't delay; lodging is going fast and with e-mail going out to over 1000 subscribers we suggest you move fast!

Skin of My Teeth

Where did the English expression "Skin of my teeth" come from?

- A. It is another pagan expression that has worked its way into our culture
- B. It refers to the apple in the Garden
- C. Job escaped death by the skin of his teeth
- D. This expression describes someone having a problem with oral hygiene

Despite the uncertainty of what this expression exactly means, it is popular to refer to the "skin of your teeth" as a means of describing a narrow margin of escape--such as, "I passed the exam by the skin of my teeth." In Job 19:20 we find this celebrated saint on the verge of starvation from a grief-induced fast. He exclaims, "My bone clings on my skin and on my flesh; and I have escaped by the skin of my teeth." This likely means that Job was barely alive in his sorrow. Answer: (C)
