### Tabernacles Filling Up Fast

If you have not yet sent in your Feast of Tabernacles Reservation form we encourage you to do so as soon as possible. The Feast will be Sept. 24-Oct. 1. We have seven cabins available located about a mile from the group camp at Shakamak State Park in southwest Indiana. The group camp lodging is now filled. There is plenty of space for tenting and RV camping, as well as several motels in the area. Reservation forms and detailed information on lodging, surrounding towns, restaurants, etc. can be accessed on our Web site at: <http://www.yrm.org/registerforfot.htm> We pray that you and your family will join us for this great highlight of Yahweh's annual observances.

### New Moon July 12

Be sure to watch for the new moon crescent this Monday evening and report it to us when you see it. New moon aspects and particulars on sighting can be found at: <http://www.yrm.org/calendar.htm>

### Pay Service Improves Live Sabbath Webcasts

Our switch to a different Web service for the Truth Channel live Sabbath Webcasts has proceeded with only a few glitches. Staff with the new service are more helpful than those with the former service when problems arise. As a result of our large and growing audience both for live events and those watching throughout the week, we were forced to upgrade to the \$200 monthly broadcasting package as we used up the allocated transfer bandwidth in less than two weeks. We now have more capacity, with up to 300 linkups possible each Sabbath and no more commercials! If these online broadcasts benefit you, please consider donating towards this monthly fee.

### YRM News Is Changing

*YRM News and Insights* is changing to a different name, different layout and adding more content. We will still have all the features of the newsletter under the YRM News section of this publication, but are transitioning into more of a magazine look and will be adding more biblical articles and a larger women's section. This is possible because of our new full-color printing capacity. Watch for the new July-August *Restoration Times* coming soon! The image to the left is a "mock-up" of the new design and is not an actual issue.

### TEST YOUR TUTELAGE

Lashing Out Against Paul

Paul said that on 5 occasions he was given 40 stripes (lashes) minus 1, at the hand of the Jews (2Cor. 11:24). How did Paul's tormentors arrive at this strange number?

- A) Thirty-nine equals 3 times 13, thus making it a triple curse.
- B) The number 40 contains spiritual implications, which the Jews seek to avoid.
- C) The Torah requires 40 stripes
- D) The Jews wanted to avoid breaking Yahweh's Law through inadvertence

Jewish converts to the Messianic faith are often amazed at the Hebrew roots evident in The New Covenant Scriptures. The Jews were particularly harsh with Paul, especially since he was once one of them. The Torah requires that no man be whipped beyond 40 lashes (Deut 25:3). To be on the safe side, Jewish tradition holds the limit at 39, just in case they lose count along the way. Paul's experience of 39 lashes (an otherwise odd number) is one of many historically verifiable surprises in The New Testament. Answer: (D).

Yahweh bless,
