Now, on to the Fall Feasts

We look back at a memorable Pentecost and praise Yahweh for its many blessings. We look forward to the next moedim, the fall Feasts, including Tabernacles in Indiana . We just received this letter from a new hopeful eager to join in the observance with us:

"I have submitted my registration form to attend the Feast and would like some information in regards to what I will need to bring as far as necessities. I am disabled due to cancer but thanks to Yahweh am doing very well and am stepping out in faith to attend this Feast. I came out of one of the splinter groups of WW and have been blessed to come into contact with YRM. I "attend" services on line with you. It has been such a blessing. I thank Yahweh for you all. I have a lot of questions and maybe at the Feast we can talk. I was called in 1998 and immersed. I am trying to get someone to come with me or I will be willing to share the cabin. Is it permissible to bring a small dog? If not it is not a problem. Yahweh bless you all."

You can find information on the Feast at our site, [yrm.org](http://www.yrm.org). Tabernacles information and a registration form were postal mailed a week ago. We recommend that those registration form be returned as soon as possible, as we anticipate filling the available bunkhouses and cabins in relatively short order. (Sorry, pets are not allowed at this state park unless tenting or in RVs.)

Booklets Revamped

Bro. Ryan Mansager has been busy redesigning our inventory of pamphlets to fit the new larger size made possible with our new digital printing equipment.

In addition, he has been changing all the pamphlet covers to full color and adding many new illustration graphics. We believe the new designs will make the booklets more professional, inviting, and effective. To date we have converted 14 booklets to this new style. To request any of these new booklets visit: <http://www.yrm.org/literature.htm>

Office Building Construction

A couple of brothers have occasionally been braving the heat of summer to enclose the new office building at the complex in Holts Summit. We still have metal work on the south end and commercial glass panes at the east entrance. At close to 4,000 sq feet all on one level, this is no small project. Our present offices are stuffed and cluttered with equipment, paper, books and publications so that we are not as efficient as we could be. If you would like to make a donation to help further progress

TEST YOUR TUTELAGE

New Testament Evangel?

The evangel (gospel) is a New Testament teaching first brought by Yahshua the Messiah when He came to earth, and its teachings replace all precepts and commands of the Old Testament.

True
False

Many are dumbfounded to learn that the "gospel" was taught in the Old Testament, according to Hebrews 4:2. The Apostle Paul confirms that the "gospel" was preached to Abraham, Galatians 3:8. Hebrews 11:13 further says that the Old Covenant patriarchs understood and accepted that there were salvation promises for them: "These all died in faith, not having received the promises, but having seen them afar off, and were persuaded of them, and embraced them, and confessed that they were strangers and pilgrims on the earth." And Romans 4:13 reminds us that Abraham's promise of world inheritance was through the righteousness of faith and not by mere law. All of these are traditionally considered just "New Testament Gospel." *Answer: B*
