Witnessing the Truth

This past week we learned of several recently who are using our literature and DVDs to witness the Truth to friends. The message we teach at YRM is strong meat, and even in a world where pablum and compromise are the norm, there are still some who know the difference and are being called out to a higher standard in preparation for priesthood in Yahshua's Kingdom. If you would like to share the Truth, refer others to our Website, [yrm.org](http://www.yrm.org). You can also pass along a booklet, CD or DVD that you are finished with. Become profitable for Yahweh's glory!

Parking Fee at the Feast of Tabernacles

If you received the Feast information packet by Postal mail, please note there is an additional fee that went unmentioned. For those staying on the grounds at Shakamak State Park, there is a one-time entrance fee that must be paid at the park office. The entrance fee is \$5 for in-state and \$7 for out-of-state vehicles. Those who stay off of the state park, however, will need to pay this entrance fee each day they drive in. In this case, it would be less expensive to pay the annual entrance fee of \$36 for in-state and \$46 for out-of-state vehicles.

With the limited number of cabins and bunkhouse rooms available for this year's Feast of Tabernacles, we encourage all who plan to join us to register as soon as possible. For more information on this year's Feast, including a downloadable registration form, please visit <http://www.yrm.org/registerforfot.htm>.

Anyone Willing to Finance Live Web Sabbath Services?

We have received a couple of complaints about the initial commercial messages that appear when you click on our live Sabbath services broadcast link. No question, some of those secular commercials are inappropriate, and especially discordant before a religious service. We have complained to Livestream and they said they would "note it." Nothing was done.

Here is the problem: the service they provide us is free, with costs paid by those commercials they run. To have commercial-free Webcasts would cost us \$350 per month, an expense we cannot afford. Unlike most other ministries who charge as much as \$60 for a CD and \$5 for a booklet, we do not charge for the Bible Truth materials we produce at Yahweh's Restoration Ministry. We must rely solely on tithes and offerings to make these resources available free of charge.

We have looked into other Web services to host our live Sabbath worship and have not found any that offer the same free service that Livestream does without similar advertising. However, if

someone would make a long-term commitment to fund these Webcasts commercial-free at \$350 per month above tithes, it would be a huge blessing. Again, any financial commitment must be a long-term one.

Yahshua and Long Hair

Paul said that it is a shame for a man to have long hair, 1Cor. 11:14, and that alone tells us that Yahshua would not have had the long locks depicted in paintings and movies. What is another proof that He had shorter hair?

- A) He hailed from the tribe of Judah, and they all had shorter hair
- B) The Roman soldiers never grabbed Him by His hair when torturing Him.
- C) Priests were not to have long hair
- D) He was a Nazarene and took a vow like Samson to have long hair

Yahshua was a "Nazarene" (from Nazareth) not "Nazarite." A Nazarite vow was a very special exception and its provisions included not having one's hair cut. Those few with this vow were Samson, Samuel, John the Baptist and possibly Paul (for only a short time, Acts 21 & 23). Yahshua was also a priest after the order of Melchizedek, Ps. 110:4, and one qualification of a priest was that long hair was prohibited, Ezek. 44:20. "Poll" here means to clip.
