Immersion at Holts Summit

We were blessed to immerse Russ King from Iowa on Sabbath, 4-17-10. Russ, his wife Amanda, and son Noah traveled to Holts Summit to keep the Sabbath with us and to counsel for his planned immersion. Russ is versatile on a number of musical instruments. May Yahweh strengthen his walk further through the power of the Spirit. HalleluYah.

Professional Artist for YRM

We are blessed that a professional illustrator has offered to do artwork for YRM. Joel Peeters from Brussels, Belgium, has submitted his first work to us, which you can see to the left. It is the metal man image of Nebuchadnezzar's vision in Daniel 2, interpreted by the prophet Daniel. We will soon begin a TV program centering around this prophecy and use this impressive image. Bro. Peeters also translates our booklets into French. He was recently married to Melody Magdadaro of the Philippines and immersed at YRM Philippines. The Body of Messiah is greatly blessed to benefit from his multiple gifts!

Feast of Firstfruits May 23

The new moon of the second month was confirmed 4/15/2010, which means the second Passover is in two weeks. Mark your calendar-Pentecost will be May 23. Pentecost is the one Biblical Feast day that churchianity has not been able to deny or abolish. There are at least two reasons for this: at the center of the Feast of Firstfruits or Pentecost is the Holy Spirit, which was sent by Yahweh on this day to those desiring to follow the Truth. Yahweh's Spirit is an essential aspect of a True Worshiper's life and his or her salvation.

The other reason is that churchianity teaches that it was on this Feast day when the "New

Testament church" was born in Acts 2. To deny this day is to deny their own existence as a body of worshipers. To throw out or change this day is to deny these two essential aspects of New Covenant worship.

But does Yahweh allow us to pick and choose which Feast days we will recognize and which to ignore? If we accept one, then Scripturally we must accept them all. All of Yahweh's Holy Days are presented as a package to us to observe, with the admonition that these are the Feasts of Yahweh (not just Feasts of Jews), Leviticus 23:4. To argue that these special days are "Mosaic Law" and therefore are done away is to be ignorant of the many statements in Scripture telling us that these are Yahweh's observances, not observances of Moses.

John wrote, "Brethren, I write no new commandment unto you, but an old commandment which you had from the beginning. The old commandment is the Word which you have heard from the beginning," 1John 2:7. The only Word they had at that time was the Old Testament. The Old Testament is the only context from which John could speak. Verse 24 continues, "Let that therefore abide in you, which you have heard from the beginning. If that which you have heard from the beginning shall remain in you, you also shall continue in the Son, and in the Father."

Yahshua kept every one of the Feast days. He said He had kept His Father's commandments and we are to follow Him, John 15:10. He did so perfectly, without fail, 1Peter 2:21-22. Join us for this double Sabbath weekend.

What Did the Apostles Call the Father in Prayer?

Yahshua often prayed to the Almighty by calling Him by the honorable title, "Father." After the Resurrection, which appellation(s) did the Apostles use?

- A - Father
- B - Yahweh
- C - Sovereign
- D - "Father" only

Interestingly, we have no example of the Apostles ever using the term "Father" in prayer, though we can be sure, by the Messianic example, that the apostles used that title in their devotional life. The two Apostolic prayers that are recorded use the title "Sovereign" and the holy name "Yahweh" based on an analysis of the Greek construct in those passages (Acts 1:24; 4:24, 29). We know from instructions in the Psalms that they had to use the holy name in worship. An overview of all the facts indicates that the Apostles used whatever Name or title was appropriate for the occasion, and did not invoke the "Father" only, as some have suggested. Answer: A, B and C
