May-June 2010 Newsletter, New Booklet, Hit the Stands

Brethren volunteered Wednesday to put in a marathon night mailing the latest newsletter. Recipients should see a marked improvement in the printed newsletter as we get accustomed to operating our new color printing machinery. With the newsletter we included a new booklet called Effective Witnessing. We pray this information will help you be more effective in sharing the Truth of Yahweh with family and friends.

Two More Find the Way to Life

Immersion is taking place as Yahweh's Restoration Ministry is reaching out with greater effectiveness in these times of worldly change. Increasingly, those who have been watching the services online or on DVD for a period of time are now taking the right step to change their lives and to commit to following more closely in Yahshua's footsteps. The outgoing mail is testimony to the

calling of many more in these final days.

Included are photos of two recent baptisms at Holts Summit: Jennifer Mitchusson from Arkansas and Russ King from Iowa, who visited within the last few weeks to be immersed. We pray that they remain strong and true to their new walk in Messiah Yahshua and that they will be blessed one day with life everlasting at Yahshua's return.

TEST YOUR TUTELAGE

Paul's Beatings

Paul said that on 5 occasions he was given 40 stripes (lashes) minus 1, at the hand of the Jews (2Co 11:24). How did Paul's tormentors arrive at this odd number?

- A) 39 equals 3 times 13, thus making it a triple curse.
- B) The number 40 contains spiritual implications, which the Jews seek to avoid.
- C) The Torah requires 40 stripes
- D) The Jews wanted to avoid breaking Yahweh's Law through inadvertence

Jewish converts to the Messianic faith are often amazed at the Hebrew roots evident in The New Covenant Scriptures. The Pharisaic Jews were particularly harsh with Paul, especially since he was once one of them. The Torah requires that no man be whipped beyond 40 lashes (Deut 25:3). To be on the safe side, Jewish tradition holds the limit at 39, just in case they lose count along the way. Paul's experience of 39 lashes (an otherwise odd number) is one of many historically verifiable surprises in the New Testament. Answer: (D).
